RE: Docket No. 98N-1265

As a consumer of healthcare services I herewith wish to register my concern and strong disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

The MOU, in its present form, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the provider of their choice. It also infringes on the rights of compounding pharmacists to serve the public's medical needs.

As a healthcare consumer, there should be no restrictions whatever to the delivery of a compounded medication prescribed for me, regardless of where I may live or travel.

The MOU must be amended!!!
